

MEET THE TEACHER

Hi! My name is Mrs. Atkins and I am so excited to be a part of this 4th grade teaching team with Mrs. Barker and Ms. Russell. Most importantly, I am thrilled to be your homeroom teacher! It's going to be a fun year full of lots of learning and new adventures. I can't wait to see what the school year has in store for us. I want to know all about you, but first I would like to share a few things about me.

I was raised in Monroe County and attended our schools. I have one brother, Mitch, and one step-sister, Beth. They are wonderful people! When I graduated from high school I attended Cleveland State Community College and then East TN State University to pursue a degree in business. I received my Business Management degree and became employed with Rarity Communities in Vonore. After a few years I decided to return to school to get my teaching certification. I wanted to help people and have an impact on my community; teaching provided me with that opportunity. I have never regretted my decision. I love my job! I taught 1st grade at Madisonville Primary School my first year teaching and then moved to Madisonville Intermediate School to teach 4th grade in 2010. This school year will be my fourth year teaching.

I am married to a wonderful man named Dustin. We have two children, Taylor and Miles. My little girl, Taylor, will start Kindergarten this year and my little boy, Miles, turned two this summer. They are so much fun and keep me busy all the time. I love them so much!

I am so excited to be your homeroom teacher and for you to be a part of this 4th grade class. This is going to be an awesome school year!
